Don't just take our word for it.

At The Treehouse Club, we have a great reputation and our parents and carers recommend us to other families. Here are just a few of the lovely comments we have received. Have a look below to see why we're proud...

"A big thank you to you all for taking such good care of my boys today. It was their first time with you and they loved it." *Preschool Ingrave*

"Thank you for everything. 'H' had an amazing time. She made loads of new friends and she thought the world of her teacher. We are all going to miss you all and thank you again for everything." *Preschool Parent - Billericay*

"And then we heard about The Treehouse Club, a place that matched J's personality - he's enjoyment for the outdoors. All felt too good to be true, how wrong we were. J has settled in far better than we ever imagined and he gets to continue his friendships with teachers and we as parents couldn't be happier with who J spends his time with. Everyday he is so happy to be there. He even asks to go on the weekend." *Parent Brentwood*

"Our daughter has just had her last day at Treehouse, she has had the happiest time there. She has always come home happy with plenty to tell me about the adventures they had that day. I love that my daughter thought of the staff as her friends they have been great. I would recommend Treehouse Club to anyone looking for childcare or preschool." *Preschool Parent - Wickford*

"My son loves the Treehouse Club! He has additional needs and the staff have been absolutely amazing with him, doing everything they can to accommodate his needs and help him to be part of the group. There's a lovely relaxed atmosphere with calm kids having fun in the fresh air and friendly happy staff. I highly recommend this preschool, all schools and preschools should be like this!" *Parent Brentwood*

"We love Treehouse! My daughter went to their Norsey Woods setting for four days a week for over a year (until starting school) and thrived there. My daughter especially loved their daily forest walks. I would highly recommend The Treehouse Club to anyone looking for a nursery or out of school club for their child." *Parent - Billericay*

"My little boy loves it. And I love picking him up and him telling me about his amazing day and seeing how muddy he is. How all little kids should have fun."

*Nursery Parent - Norsey Woods*

"My son struggled at his previous setting and was always unhappy to go to preschool. But then we found Treehouse! Wow what can I say, it's absolutely amazing and my daughter loved it when she was there and now both my boys are there during preschool times and they enjoy it so much that they hate school holidays! All the staff are wonderful and approachable. Couldn't fault it one bit." *Nursery & Preschool Parent*

"My 1 year old has been going to the Treehouse Club for a good few months now and I could not be happier with the nursery. He has learnt so much, and he adores his key worker. Thank you for all your support."
